## *Advantages for you...*

- Your warranty with MCWC will not begin until any factory warranty ends thus providing you with a longer protection period.
- Roadside assistance includes towing, battery service, flat tire assistance, lock-out service and emergency fuel delivery.
- Should you sell your vehicle, this coverage may be transferred to the new owner.

## **Waiver of Protection**

I acknowledge that the Mechanics' Choice Warranty Co. Service Contract has been explained and offered to me and I have **voluntarily elected not to protect my vehicle** with this coverage. I understand that I am forfeiting **substantial** rights and benefits by not purchasing this coverage. I hereby voluntarily waive all rights and benefits offered by this plan.
